PERMISSION FOR EMERGENCY/OPERATIVE TREATMENT

In an emergency, when a parent's attendance cannot be immediate, it is sometimes necessary to obtain treatment for a child from a Doctor or the Casualty Department of a hospital. As delay in these circumstances is highly undesirable, we would ask that you give your consent below in case such an emergency should unfortunately arise.

In the event of sudden illness or accident affecting my child, if recommended by a Doctor, I agree to emergency treatment, including any operative treatment and/or administration of a general anaesthetic to my child.
